INTRO: |F C G | (2x)

VERSE 1:
Am                          F                               C          3                           G
|    When I lose my way, And I forget my name, Remind me who I am    |
Am                              F                                      C     3                          G
|       In the mirror all I see is who I don't want to be. Remind me who I am    |
F                       G     Am
In the loneliest places
F                                             G        Am
When I can't remember what grace is.

CHORUS:
F      C   G     Am
Tell me once again
   F      C       Am          G
Who I am to you, who I am to you.
F      C     G     Am
Tell me, lest I forget
   F      C
Who I am to You,
   Am          G |F    C    |G  |
that I belong to You,
   |F    C    |G  |
To You

VERSE 2:
Am                                       F        3                                       C         3                          G
When my heart is like a stone   And I'm running far from home,  Remind me who I am
Am                                         F       3                             C          3                           G
When I can't receive your love  afraid I'll never be enough.  Remind me who I am.
F                      G     Am
if I'm Your beloved
F                                   G       Am
Would you help me believe it.
