VERSE 2

G#m                                         E
So when the walls come falling down on me
G#m                                         E
And when I'm lost in the current of a raging sea

I have this blessed assurance holding me
